3-III.D. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the public housing program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

The PHA may not pass along to the applicant the costs of a criminal records check [24 CFR 960.204(d)].

PHA Policy

The PHA will perform criminal background checks through National Credit Reporting, 6830 Via Del Oro, Suite 105 San Jose, California who is contracted as an FBI approved fingerprint channeler.

This process begins with all applicants being informed that a fingerprint will be required.

All applicants must sign an authorization form before the fingerprint is done. If an applicant refuses to sign the authorization form their application will not be process for an approval for subsidy. They will be offered an informal hearing.

If a current resident request to add someone to their current family composition, approval of any additional person (s) will not be approve until the above steps are taken.

It will also be required for all new commissioners to follow the above steps before they are approved and sworn in.

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 960.204(a)(4)].

If the PHA proposes to deny admission based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission [24 CFR 5.903(f) and 5.905(d)].

Chapter 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to reside in public housing, the family must submit an application that provides the PHA with the information needed to determine the family's eligibility. HUD requires the PHA to place all eligible families that apply for public housing on a waiting list. When a unit becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in its Admissions and Continued Occupancy Policy (ACOP) and its annual plan.

The PHA is required to adopt a clear approach to accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA to receive preferential treatment.

HUD regulations require that the PHA comply with all equal opportunity requirements and it must affirmatively further fair housing goals in the administration of the program [24 CFR 960.103, PH Occ GB p. 13]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for taking applications, managing the waiting list and selecting families from the waiting list. The PHAs policies for assigning unit size and making unit offers are contained in Chapter 5. Together, Chapters 4 and 5 of the ACOP comprise the PHA's Tenant Selection and Assignment Plan (TSAP).

The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for public housing. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Tenant Selection. This part describes the policies that guide the PHA in selecting families from the waiting list as units become available. It also specifies how in-person interviews will be used to ensure that the PHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the policies that guide the PHA's efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes the PHA's obligation to ensure the accessibility of the application process.

4-I.B. APPLYING FOR ASSISTANCE

Any family that wishes to reside in public housing must apply for admission to the program [24 CFR 1.4(b)(2)(ii), 24 CFR 960.202(a)(2)(iv), and PH Occ GB, p. 68]. HUD permits the PHA to determine the format and content of its applications, as well how such applications will be made available to interested families and how applications will be accepted by the PHA. However, the PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA's application [Notice PIH 2009-36].

PHA Policy

Depending upon the length of time that applicants may need to wait to be housed, the PHA may use a one- or two-step application process.

A one-step process will be used when it is expected that a family will be selected from the waiting list within 60 days of the date of application. At application, the family must provide all of the information necessary to establish family eligibility and the amount of rent the family will pay.

A two-step process will be used when it is expected that a family will not be selected from the waiting list for at least 60 days from the date of application. Under the two-step application process, the PHA initially will require families to provide only the information needed to make an initial assessment of the family's eligibility, and to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and the amount of rent the family will pay when selected from the waiting list.

REFER TO SECTION – 4-I.I.C-OPENING AND CLOSING WAITING LIST

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

The PHA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard PHA application process.

Disabled Populations [24 CFR 8; PH Occ GB, p. 68]

The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the PHA must provide an alternate approach that provides equal access to the application process. Chapter 2 provides a full discussion of the PHA's policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA's policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The PHA must review each completed application received and make a preliminary assessment of the family's eligibility. The PHA must place on the waiting list families for whom the list is open unless the PHA determines the family to be ineligible. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 960.208(a); PH Occ GB, p. 41]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list.

Ineligible for Placement on the Waiting List

PHA Policy

If the PHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, the PHA will send written notification of the ineligibility determination within 30 business days of receiving a completed application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal hearing and explain the process for doing so (see Chapter 14).

Eligible for Placement on the Waiting List

PHA Policy

The PHA will send written notification of the preliminary eligibility determination within 30 business days of receiving a completed application. If applicable, the notice will also indicate the waiting list preference(s) for which the family appears to qualify.

Placement on the waiting list does not indicate that the family is, in fact, eligible for admission. A final determination of eligibility and qualification for preferences will be made when the family is selected from the waiting list.

Applicants will be placed on the waiting list according to the PHA's lottery system along with preferences.

PART II: MANAGING THE WAITING LIST

4-IL.A. OVERVIEW

The PHA must have policies regarding the type of waiting list it will utilize as well as the various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for public housing, and conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how the PHA may structure its waiting list and how families must be treated if they apply for public housing at a PHA that administers more than one assisted housing program.

4-IL.B. ORGANIZATION OF THE WAITING LIST

The PHA's public housing waiting list must be organized in such a manner to allow the PHA to accurately identify and select families in the proper order, according to the admissions policies described in this ACOP.

PHA Policy

The waiting list will contain the following information for each applicant listed:

- Name and social security number of head of household
- Unit size required (number of family members)
- Amount and source of annual income
- Accessibility requirement, if any
- Household type (elderly, disabled)
- Admission preference, if any
- Race and ethnicity of the head of household

The PHA may adopt one community-wide waiting list or site-based waiting lists. The PHA must obtain approval from HUD through submission of its Annual Plan before it may offer site-based waiting lists. Site-based waiting lists allow families to select the development where they wish to reside and must be consistent with all applicable civil rights and fair housing laws and regulations [24 CFR 903.7(b)(2)].

PHA Policy

The PHA will maintain one single waiting list for its developments which consist of the Ann J. Ferguson Towers 1601 Dill Ave. Linden, NJ and the Edward J. Murawski Towers 1551 Dill Ave. Linden, NJ a multifamily Section 8 project base program.

HUD directs that a family that applies to reside in public housing must be offered the opportunity to be placed on the waiting list for any tenant-based or project-based voucher or moderate rehabilitation program that the PHA operates if 1) the other programs' waiting lists are open, and 2) the family is qualified for the other programs [24 CFR 982.205(a)(2)(i)].

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs [24 CFR 982.205(a)(1)].

PHA Policy

The PHA will not merge the public housing waiting list with the waiting list for any other program the PHA operates.

4-ILC. OPENING AND CLOSING THE WAITING LIST

Closing the Waiting List

The PHA is permitted to close the waiting list, in whole or in part, if it has an adequate pool of families to fill its developments. The PHA may close the waiting list completely, or restrict intake by preference, type of project, or by size and type of dwelling unit. [PH Occ GB, p. 31].

PHA Policy

The PHA will close the waiting list when the estimated waiting period for housing applicants on the list reaches 24 months for the most current applicants. Where the PHA has particular preferences or other criteria that require a specific category of family, the PHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

Reopening the Waiting List

If the waiting list has been closed, it may be reopened at any time. The PHA should publish a notice in local newspapers of general circulation, minority media, and other suitable media outlets that the PHA is reopening the waiting list. Such notice must comply with HUD fair housing requirements. The PHA should specify who may apply, and where and when applications will be received. All applications will be taken by using the Lottery System.

PHA Policy

The PHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be issued. If the list is only being reopened for certain categories of families, this information will be contained in the notice. The notice will specify where, when, and how applications are to be received. The PHA will use the lottery system. The waiting list is not established based on date and time of the application. Instead the PHA randomly selects applications from the pool of all application submitted to form the waiting list. Since the PHA anticipates receiving far more applications than it can assist in a reasonable period of time, the PHA has established a limited number of applications that will be placed on its waiting list. The amount of how many applications that will be picked will be posted in all public notices. Applications to form the waiting list will be randomly selected by individuals chosen by the PHA staff once the applications deadline has passed. Only one application per family will be randomly selected from the lottery to form the application waiting list. Selected families will be notified in writing regarding the final eligibility process. **NOTE:** Having your application randomly selected does not guarantee the applicant will receive assistance. The Public Housing rules and regulations determine the final outcome.

Applications not selected for the waiting list will be discarded by shredding.

New applicants will be placed on the waiting list in lottery determined order. Applicants previously on the PHA waiting list will be administered utilizing the PHA selection process before newly determined lottery applicants. The pre-application by prospective applicants must be filled out and mailed to a post office box address that will be given in the public notice.

The PHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

The Star Ledger

La Voz

Community Access

Office on Aging

Board of Social Services – Union County

Local Cable Station

The notice will contain:

The dates, times and the locations where families may apply

The programs for which applications will be taken

A brief description of the program

Limitations, if any, on who may apply.

A statement saying applications are for public housing.

If requested, the notices will be made in accessible format whenever possible. They will provide potential applicants with information that includes the PHA address, telephone number, how to submit an application, information on eligibility requirements, and the availability of local preferences. If the waiting list is open, the PHA will accept applications from eligible families unless there is good cause for not accepting the applications, such as denial of assistance because of action or inaction by members of the family for grounds stated in the Denial of Admissions or Termination of Assistance section of this ACOP.

4-II.D. FAMILY OUTREACH [24 CFR 903.2(d); 24 CFR 903.7(a) and (b)]

The PHA should conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to fill anticipated vacancies and to assure that the PHA is affirmatively furthering fair housing and complying with the Fair Housing Act.

Because HUD requires the PHA to serve a specified percentage of extremely low income families, the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for public housing.

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of units under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

PHA Policy

The PHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

PHA Policy

While the family is on the waiting list, the family must inform the PHA, within 10 business days, of changes in family size or composition, preference status, or contact information, including current residence, mailing address, and phone number. The changes must be submitted in writing.

Changes in an applicant's circumstances while on the waiting list may affect the family's qualification for a particular preference. When an applicant reports a change that affects their placement on the waiting list, the waiting list will be updated accordingly.

4-ILF. UPDATING THE WAITING LIST

HUD requires the PHA to establish policies to use when removing applicant names from the waiting list [24 CFR 960.202(a)(2)(iv)].

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to the PHA's request for information or updates because of the family member's disability, the PHA must, upon the family's request, reinstate the applicant family to their former position on the waiting list as a reasonable accommodation [24 CFR 8.4(a), 24 CFR 100.204(a), and PH Occ GB, p. 39 and 40]. See Chapter 2 for further information regarding reasonable accommodations.

PHA Policy

The waiting list will be updated as needed to ensure that all applicants and applicant information is current and timely.

To update the waiting list, the PHA will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that the PHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant's name being removed from the waiting list.

The family's response must be in writing and must be delivered by mail. Responses should be postmarked no later than 30 days from the date of the PHA letter.

If the family fails to respond within 30 days, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 30 business days to respond from the date the letter was re-sent. If the family fails to respond within this time frame, the family will be removed from the waiting list without further notice.

When a family is removed from the waiting list during the update process for failure to respond, no informal hearing will be offered. Such failures to act on the part of the applicant prevent the PHA from making an eligibility determination; therefore no informal hearing is required.

If a family is removed from the waiting list for failure to respond, the Executive Director may reinstate the family if s/he determines the lack of response was due to PHA error, or to circumstances beyond the family's control.

Due to applicants coming off the waiting list for being housed, advising the PHA of a change of preference's claimed, advising the PHA of not being interested, the PHA by the 10th of each month print out a current waiting list.

Removal from the Waiting List

PHA Policy

The PHA will remove applicants from the waiting list if they have requested that their name be removed. In such cases no informal hearing is required.

If the PHA determines that the family is not eligible for admission (see Chapter 3) at any time while the family is on the waiting list the family will be removed from the waiting list.

If a family is removed from the waiting list because the PHA has determined the family is not eligible for admission, a notice will be sent to the family's address of record . The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal hearing regarding the PHA's decision (see Chapter 14) [24 CFR 960.208(a)].

PART III: TENANT SELECTION

4-III.A. OVERVIEW

The PHA must establish tenant selection policies for families being admitted to public housing [24 CFR 960.201(a)]. The PHA must not require any specific income or racial quotas for any developments [24 CFR 903.2(d)]. The PHA must not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status or national origin for purposes of segregating populations [24 CFR 1.4(b)(1)(iii) and 24 CFR 903.2(d)(1)].

The order in which families will be selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences that the family qualifies for. The availability of units also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 960.206(e)(2)]. The PHA's policies must be posted any place where the PHA receives applications. The PHA must provide a copy of its tenant selection policies upon request to any applicant or tenant. The PHA may charge the family for providing a copy of its tenant selection policies [24 CFR 960.202(c)(2)].

PHA Policy

When an applicant or resident family requests a copy of the PHA's tenant selection policies, the PHA will provide copies to them at the cost of twenty five cents (\$0.25) per page.

4-III.B. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use.

Local Preferences [24 CFR 960.206]

PHAs are permitted to establish local preferences and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources [24 CFR 960.206(a)].

PHA Policy

The PHA will use the following local preference:

Linden Resident

Income Targeting Requirement [24 CFR 960.202(b)]

HUD requires that extremely low-income (ELI) families make up at least 40% of the families admitted to public housing during the PHA's fiscal year. ELI families are those with annual incomes at or below 30% of the area median income. To ensure this requirement is met, the PHA may skip non-ELI families on the waiting list in order to select an ELI family.

If a PHA also operates a housing choice voucher (HCV) program, admissions of extremely low-income families to the PHA's HCV program during a PHA fiscal year that exceed the 75% minimum target requirement for the voucher program, shall be credited against the PHA's basic targeting requirement in the public housing program for the same fiscal year. However, under these circumstances the fiscal year credit to the public housing program must not exceed the lower of: (1) ten percent of public housing waiting list admissions during the PHA fiscal year; (2) ten percent of waiting list admissions to the PHA's housing choice voucher program during the PHA fiscal year; or (3) the number of qualifying low-income families who commence occupancy during the fiscal year of PHA public housing units located in census tracts with a poverty rate of 30 percent or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

PHA Policy

The PHA will monitor progress in meeting the ELI requirement throughout the fiscal year. ELI families will be selected ahead of other eligible families on an as-needed basis to ensure that the income targeting requirement is met.

Mixed Population Developments [24 CFR 960.407]

A mixed population development is a public housing development or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character) or the PHA at some point after its inception obtained HUD approval to give preference in tenant selection for all units in the development (or portion of a development) to elderly and disabled families [24 CFR 960.102]. Elderly family means a family whose head, spouse, cohead, or sole member is a person who is at least 62 years of age. Disabled family means a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403]. The PHA must give elderly and disabled families equal preference in selecting these families for admission to mixed population developments. The PHA may not establish a limit on the number of elderly or disabled families that may occupy a mixed population development. In selecting elderly and disabled families to fill these units, the PHA must first offer the units that have accessibility features for families that include a person with a disability and require the accessibility features of such units. The PHA may not discriminate against elderly or disabled families that include children (Fair Housing Amendments Act of 1988).

Units Designated for Elderly or Disabled Families [24 CFR 945]

The PHA may designate projects or portions of a public housing project specifically for elderly or disabled families. The PHA must have a HUD-approved allocation plan before the designation may take place.

Among the designated developments, the PHA must also apply any preferences that it has established. If there are not enough elderly families to occupy the units in a designated elderly development, the PHA may allow near-elderly families to occupy the units [24 CFR 945.303(c)(1)]. Near-elderly family means a family whose head, spouse, or cohead is at least 50 years old, but is less than 62 [24 CFR 5.403].

If there are an insufficient number of elderly families and near-elderly families for the units in a development designated for elderly families, the PHA must make available to all other families any unit that is ready for re-rental and has been vacant for more than 60 consecutive days [24 CFR 945.303(c)(2)].

The decision of any disabled family or elderly family not to occupy or accept occupancy in designated housing shall not have an adverse affect on their admission or continued occupancy in public housing or their position on or placement on the waiting list. However, this protection does not apply to any family who refuses to occupy or accept occupancy in designated housing because of the race, color, religion, sex, disability, familial status, or national origin of the occupants of the designated housing or the surrounding area [24 CFR 945.303(d)(1) and (2)].

This protection does apply to an elderly family or disabled family that declines to accept occupancy, respectively, in a designated project for elderly families or for disabled families, and requests occupancy in a general occupancy project or in a mixed population project [24 CFR 945.303(d)(3)].

PHA Policy

The PHA's project is for senior / disabled only.

Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]

The PHA's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of the PHA's deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

The PHA's deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

Steps for Implementation [24 CFR 903.2(c)(1)]

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, the PHA must comply with the following steps:

Step 1. The PHA must determine the average income of all families residing in all the PHA's covered developments. The PHA may use the median income, instead of average income, provided that the PHA includes a written explanation in its annual plan justifying the use of median income.

PHA Policy

The PHA will determine the average income of all families in all covered developments on an annual basis.

Step 2. The PHA must determine the average income (or median income, if median income was used in Step 1) of all families residing in each covered development. In determining average income for each development, the PHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

PHA Policy

The PHA will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. The PHA must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low income family (30% of median income).

Step 4. The PHA with covered developments having average incomes outside the EIR must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, the PHA must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances the PHA's deconcentration policy may include, but is not limited to the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR
- Skipping a family on the waiting list to reach another family in an effort to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by the PHA in consultation with the residents and the community through the annual plan process to be responsive to local needs and PHA strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under the PHA's deconcentration policy. The PHA must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average incomes at all general occupancy developments are within the EIR, the PHA will be considered to be in compliance with the deconcentration requirement and no further action is required.

PHA Policy

For developments outside the EIR the PHA will take the following actions to provide for deconcentration of poverty and income mixing:

N/A

Order of Selection [24 CFR 960.206(e)]

The PHA system of preferences may select families either according to the date and time of application or by a random selection process.

PHA Policy

Families will be selected from the waiting list first by the lottery system and then by preference.

When any size unit becomes available it will be offered to the next eligible applicant on the waiting list.

4-III.C. NOTIFICATION OF SELECTION

When the family has been selected from the waiting list, the PHA must notify the family.

PHA Policy

The PHA will notify the family by first class mail when it is selected from the waiting list.

The notice will inform the family of the following:

- Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview

- Who is required to attend the interview

- Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation

- Documents that must be provided at the interview to document eligibility for a preference, if applicable

- Other documents and information that should be brought to the interview

If a notification letter is returned to the PHA with no forwarding address, the family will be removed from the waiting list without further notice. Such failure to act on the part of the applicant prevents the PHA from making an eligibility determination; therefore no informal hearing will be offered.

4-III.D. THE APPLICATION INTERVIEW

HUD recommends that the PHA obtain the information and documentation needed to make an eligibility determination through a private interview. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2010-3].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability [24 CFR 8.4(a) and 24 CFR 100.204(a)].

PHA Policy

Families selected from the waiting list are required to participate in an eligibility interview.

The head of household and the spouse/cohead will be strongly encouraged to attend the interview together. However, either the head of household or the spouse/cohead may attend the interview on behalf of the family. Verification of information pertaining to adult members of the household not present at the interview will not begin until signed release forms are returned to the PHA.

The interview will be conducted only if the head of household or spouse/cohead provides appropriate documentation of legal identity (Chapter 7 provides a discussion of proper documentation of legal identity). If the family representative does not provide the required documentation, the appointment may be rescheduled when the proper documents have been obtained.

Pending disclosure and documentation of social security numbers, the PHA will allow the family to retain its place on the waiting list for two (2) months. If not all household members have disclosed their SSNs at the next time a unit becomes available, the PHA will offer a unit to the next eligible applicant family on the waiting list.

If the family is claiming a waiting list preference, the family must provide documentation to verify their eligibility for a preference (see Chapter 7). If the family is verified as eligible for the preference, the PHA will proceed with the interview. If the PHA determines the family is not eligible for the preference, the interview will not proceed and the family will be placed back on the waiting list without the preference according to the lottery system.

The family must provide the information necessary to establish the family's eligibility, including suitability, and to determine the appropriate amount of rent the family will pay. The family must also complete required forms, provide required signatures, and submit required documentation. If any materials are missing, the PHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 10 business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (see Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, the PHA may provide translation services in accordance with the PHA's LEP plan.

If the family is unable to attend a scheduled interview, the family should contact the PHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, the PHA will send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without PHA approval will have their applications made inactive based on the family's failure to supply information needed to determine eligibility. The second appointment letter will state that failure to appear for the appointment without a request to reschedule will be interpreted to mean that the family is no longer interested and their application will be made inactive. Such failure to act on the part of the applicant prevents the PHA from making an eligibility determination, therefore the PHA will not offer an informal hearing.

4-III.E. FINAL ELIGIBILITY DETERMINATION [24 CFR 960.208]

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information related to the eligibility requirements, including PHA suitability standards, the PHA must make a final determination of eligibility (see Chapter 3).

When a determination is made that a family is eligible and satisfies all requirements for admission, including tenant selection criteria, the applicant must be notified of the approximate date of occupancy insofar as that date can be reasonably determined [24 CFR 960.208(b)].

PHA Policy

The PHA will notify a family in writing of their eligibility within 10 business days of the determination and will provide the approximate date of occupancy insofar as that date can be reasonably determined.

The PHA must promptly notify any family determined to be ineligible for admission of the basis for such determination, and must provide the applicant upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on such determination [24 CFR 960.208(a)].

PHA Policy

If the PHA determines that the family is ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal hearing (see Chapter 14).

If the PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. See Section 3-III.G for the PHA's policy regarding such circumstances.

A. Non-Denial of Assistance. The HACL will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

VI. Termination of Tenancy or Assistance

A. VAWA Protections. Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by the HACL.

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.

2. In addition to the foregoing, tenancy or assistance will not be terminated by HACL as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

(a) Nothing contained in this paragraph shall limit any otherwise available authority of the HACL's or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, neither the HACL nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.

(b) Nothing contained in this paragraph shall be construed to limit the authority of the HACL or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or the HACL, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

VII. Verification of Domestic Violence, Dating Violence or Stalking

A. Requirement for Verification. The law allows, but does not require, the HACL or a section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII. C., the HACL shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken

by the HACL. Section 8 owners or managers receiving rental assistance administered by the HACL may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. *HUD-approved form* - by providing to the HACL or to the requesting Section 8 owner or manager a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of perpetrator.
2. *Other documentation* - by providing to the HACL or to the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effect of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. *Police or court record* - by providing to the HACL or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

B. Time allowed to provide verification / failure to provide. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the HACL, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (i.e., 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holiday) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against proposed adverse action.

C. Waiver of verification requirement. The Executive Director of the HACL, or a Section owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director, owner or manager. Any such waiver must be in writing. Waiver in particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

VIII. Confidentiality

A. *Right of confidentiality.* All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to the HACL or to a Section 8 owner or manager in connection with verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

1. requested or consented to by the individual in writing, or
2. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted in VAWA, or
3. otherwise required by applicable law.

B. *Notification of rights.* All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by the HACL shall be notified in writing concerning their right to confidentiality and the limits on such right to confidentiality.

IX. Transfer to New Residence

A. *No right to transfer.* The HACL will make every effort to accommodate requests for transfer when a suitable alternative vacant unit is available and the circumstances warrant such action. However, except with respect to portability of Section 8 assistance as provided in paragraph IX. E. below the decision to grant or refuse to grant a transfer shall lie within the sole discretion of the HACL, and this policy does not create any right on the part of any tenant / applicant to be granted a transfer.

B. *Family rent obligations.* If a family occupying the HACL public housing moves before the expiration of the lease term in order to protect the health or safety of a household member, the family will remain liable for the rent during the remainder of the lease term unless released by the HACL. In cases where the HACL determines that the family's decision to move was a reasonable under the circumstance, the HACL may wholly or partially waive rent payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.

E. *Portability.* A Section 8 assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect a health or safety of an individual member of the household who is or has been the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

X. Court Orders /Family Break-up

A. *Court orders.* It is the HACL's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by the HACL and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.

B. *Family break-up.* Other HACL policies regarding family break-up are contained the the HACL's Public Housing Admissions and Continuing Occupancy Plan (ACOP) and its Section 8 Administrative Plan.

XI. Notification

The HACL shall provide written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

XII. Relationship with Other Applicable Laws

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

XIII. Amendment

This policy may be amended from time to time by the HACL as approved by the HACL Board of Commissioners.
